3. GENERAL MANDATE TO ISSUE SHARES

At the annual general meeting of the Company held on 22 May 2020, resolutions were passed granting to the Directors a general and unconditional mandate (1) to issue further Shares representing up to 20% of the aggregate number of shares in issue of the Company; and (2) to issue Shares not exceeding the aggregate number of shares repurchased. This general mandate will expire at the conclusion of the Annual General Meeting of the Company to be held on 21 May 2021.

At the Annual General Meeting, it will be proposed that the Directors be granted a general mandate to allot, issue and deal with Shares not exceeding 20% of the total number of shares in issue of the Company as at the date when the relevant ordinary resolution is passed. As such, the maximum number of shares which may be issued pursuant to the General Mandate will be 312,227,737 Shares. The total number of Shares subject to the General Mandate will be increased by the addition thereto of any Shares repurchased by the Company under the proposed Share Repurchase Mandate.

4. SHARE REPURCHASE MANDATE

At the annual general meeting of the Company held on 22 May 2020, resolution was passed granting to the Directors all the powers to repurchase up to 10% of the aggregate number of shares in issue of the Company. This general mandate to repurchase of shares will expire at the conclusion of the Annual General Meeting of the Company to be held on 21 May 2021.

The Share Repurchase Mandate will enable the Directors to exercise all the powers of the Company to repurchase its own Shares at any time until the earlier of the conclusion of the next annual general meeting (unless the mandate is renewed at such meeting), the expiration of the period within which the next annual general meeting is required by the Articles of Association or by law to be held, and the revocation or variation of the authority given under the Share Repurchase Mandate by an ordinary resolution of Shareholders in general meeting. The total number and description of Shares which may be repurchased pursuant to the Share Repurchase Mandate is limited to a maximum of 10% of the number of shares in issue of the Company as at the date when the Share Repurchase Mandate is granted.

LETTER FROM THE BOARD

Exercise of The Share Repurchase Mandate

As at the Latest Practicable Date, the total number of shares in issue of the Company was 1,561,138,689 Shares.

Subject to the passing of the ordinary resolution to approve the Share Repurchase Mandate, and on the basis that no further Shares will be issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Share Repurchase Mandate to repurchase a maximum of 156,113,868 Shares.

Reasons for Repurchases

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share of the Company and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

Funding of Repurchases

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association, the laws of Hong Kong and the Listing Rules. It is envisaged that the funds required for any repurchase would be derived from the distributable profits of the Company.

The Directors propose that such repurchases of Shares will be appropriately financed by the Company's internal resources and/or available banking facilities. There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated financial statements contained in the annual report of the Company for the year ended 31 December 2020 and taking into account the financial position of the Company as at the Latest Practicable Date, in the event that the proposed Share repurchases were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

LETTER FROM THE BOARD

LETTER FROM THE BOARD

Share Repurchases made by the Company

Takeovers Code Consequences

If, as a result of a repurchase of the Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

In the event that the Share Repurchase Mandate is exercised in full, the interest of Shenwan Hongyuan Group Co., Ltd., the ultimate controlling shareholder of the Company, in the issued Shares would increase from 75%, as at the Latest Practicable Date, to 83.33% approximately. Therefore, Shenwan Hongyuan Group Co., Ltd. shall not be subject to any obligation under Rule 26 of the Takeovers Code. Besides, the Directors are not aware of any Shareholder, or any group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power to repurchase Shares pursuant to the Share Repurchase Mandate.
