

Mobile Trading APP 智易贏 iOS Version Update on Stock Holdings Enhance Your Trading Experience!

Dear Valued Customer :

We have made four major enhancements in stock holdings page of our mobile trading APP 智易贏, to improve your trading experience:

- Display of average purchase cost of each individual stock
- Real-time quotes on China Stock Connect
- Quote enhancements on Hong Kong and US stocks
- Page layout refinement and new display column showing: overall buying power, overall marginable value, account balance, withholding balance, stock value and withdrawal balance

For any enquiries, please contact our Customer Services Hotline on (852) 2250 8298 (Hong Kong Hotline) or 400-120-0363 (Mainland China Toll Free Hotline).
