

Enhancements of HKEX Pre-Opening Session (POS) in Securities Market

Dear Valued Customer:

The Hong Kong Exchanges and Clearing Limited (HKEX) will enhance its Pre-Opening Session (POS) in its securities market beginning 19 October 2020 (Monday). This involves adopting relevant features from the Closing Auction Session (CAS), to help improve price discovery and increase trading liquidity before the market opens.

Please refer to the HKEX link below on a video and documents demonstrating the enhancements:
