

Northbound ETFs trading is available for Hong Kong investors!

Dear Valued Customers:

To further deepen mutual stock market access between the Mainland and Hong Kong (Stock Connect) and promote the development of both capital markets, the China Securities Regulatory Commission (CSRC) and the Hong Kong Securities and Futures Commission (SFC) have approved the inclusion by Mainland and Hong Kong exchanges of eligible exchange-traded funds (ETFs) in Stock Connect. **The trading of ETFs under Stock Connect will commence on 4 July 2022 Monday.**

For more details, including the initial list of ETFs eligible for northbound trading, trading arrangements, eligibility criteria and frequently asked questions, [please click here](#) to access the designated page on the HKEX website.

Please note that clients must update below trading platforms on or after 3 July 2022, so as to enable northbound ETFs trading function. For other trading platforms, the system will be updated automatically.
